The Norman City Council will consider acceptance of the certain data and maps included in the Storm Water Master Plan and the certain principles outlined in the Greenway Master Plan on Tuesday, November 10, 2009 at 6:30 p.m. in the Municipal Building, City Council Chambers located at 201 West Gray, Norman, Oklahoma. This action follows over two years of plan development, citizen task force meetings and multiple public forums.

The City's consultant, Post, Buckley, Schuh, & Jernigan (PBS&J), will make a brief presentation describing the final report of the Storm Water Master Plan. Sub-Consultant Halff Associates, Inc. will make comments regarding the Greenway Master Plan. The presentation will cover the following topics: Storm Water Phase II regulations, Trails/Greenbelt Master Plan, new flood plain mapping, capital improvement projects, proposed water quality enhancements, drainage easement issues and financing options. The public will have an opportunity to make comments. Printed copies of the Storm Water Master Plan and the Greenway Master Plan are available for review at four locations as follow:

- Norman Public Library, 225 N. Webster Avenue
- Norman Chamber of Commerce, 115 E. Gray Street
- City of Norman, City Clerk's office, 201 West Gray, Main Municipal Building

- City of Norman, Public Work's Department, 201 West Gray, Building A

Downloadable versions of these reports will be available on the City of Norman website soon ( [www.normanok.gov](http://www.normanok.gov) ), but a CD is also available for \$1.00 each and can be picked up at 201 West Gray, Building A.

Please contact the Department of Public Works at (405) 366-5453 if you have additional questions.
